Agenda

- Start the Recording
- We will start by mentioning the project's Antitrust Policy, which you can find linked from the LF and project websites. The policy is important where multiple companies, including potential industry competitors, are participating in meetings. Please review and if you have any questions, please contact your company legal counsel. Members of the LF may contact Andrew Updegrove at the firm Gesmer Updegrove LLP, which provides legal counsel to the LF.
  - Antitrust Policy
- Agenda Bashing, Roll Call, Action Items (all, 9:00-9:05 am)
- Releases
- LFN Updates
- Marketing Update
- TSC Grievance Tracking
- General Topics
  - Calendar update
- Any Other Topics

General Topic

It was noted that the OpenDaylight Google Calendar was not up to date. Casey Cain said he would update the TSC meeting and recommends community members also review community meetings.

Casey Cain noted that there will be a public calendar to track meeting

There was a discussion about revitalizing the DLUX project. It was noted that if we wanted to bring the project back, it would likely need to be re-written.

Casey Cain Noted some potential new interest in the project, in particular with the discussions about the Cloud Native Telco Initiative. Check out the recording from the most recent TAC meeting.
