Agenda

- Start the Recording
- We will start by mentioning the project's Antitrust Policy, which you can find linked from the LF and project websites. The policy is important where multiple companies, including potential industry competitors, are participating in meetings. Please review and if you have any questions, please contact your company legal counsel. Members of the LF may contact Andrew Updegrove at the firm Gesmer Updegrove LLP, which provides legal counsel to the LF.

Minutes

Release

- Chlorine has been released, so next steps are
 1. TPCE releasing as the only left self-managed project
 2. release notes
 3. integration
 4. update downloads and documentation
- Sulfur SR3
 - Scheduled to be released 28 Oct 2022 so we will try to move forward with it
- Release simplification, no self-managed projects so an updated checklist will be shared soon
- Project archival: Except for l2switch, rest of the projects are archived.
